We are located in Metro Office Park, about 1 mile east of the Mall of America and just south of 494 across from the airport.

From 494 East or West –

Take the 24th Ave exit (near Mall of America). Head south on 24th Ave. (right if coming from 494 Eastbound, left if from 494 Westbound), turn left (east) on American Blvd (formerly 80th Street)*. Go several blocks to Metro Drive and turn left. Follow Metro Drive as it curves to the left, and then turn right at the intersection, which is Metro Parkway. Care Providers of Minnesota is the first building on the right.

**Note – 80th Street has been re-named American Blvd throughout Bloomington. Some signs have been changed, others have not. Please be aware that they are the same street.*

Parking:

A small amount of parking is available in front of the building. A much larger parking lot is located in back of the building, and is accessible from both the North and South, driving around to the back of the building. As you stand in the back parking lot facing west, you will see the back of two identical buildings. Care Providers of Minnesota is located in the building on your left. Enter either door, proceed to the lower level of the building and take the elevator or stairs to level 2. We are in suite 200.
