## JANUARY 2019

Join us for Region Palooza, a series of informative webinars January 14-17, 2019. In lieu of **the 2019 January Region Forums** being held at locations throughout the state, they will be presented as webinars.

No need to fight a frigid Minnesota winter to attend a Region Forum. Instead sit back, relax and view a webinar presented by Care Providers of Minnesota staff on the following topics:

- Older and Vulnerable Adult Protection Initiatives
- The 2019 Legislative Preview
- Program and Rate Updates for HCBS members
- Behavioral / Mental Health Training for all settings

Look for more information on how to register for the January Region Forum webinars in future issues of ACTION as well as on the Care Providers of Minnesota website.

If you have any questions about Region Forums please contact Cathy Lingenfelter at [clingenfelter@careproviders.org](mailto:clingenfelter@careproviders.org) or 952-851-2496
