Care Providers of Minnesota Foundation is committed to transforming care and service delivery for seniors and/or persons with disabilities through education and leadership development.

$467,000 in scholarships provided to-date; 13 scholarships totaling $17,275 were awarded in 2018. Students in many categories have received scholarships including: nursing, healthcare administration, physical therapy, social work, and counseling.

Funds for Care Providers of Minnesota Foundation scholarships come from many sources: specific scholarship funds (Hagemeyer Fund, Goldberg Fund and Lemieux Fund); general Foundation funds; and proceeds from our annual fundraising activities (golf tournament, silent auction and Wall of Wine).
